

Ray-Ban Supports Emerging Design Talents

By [Staff](#)

Tuesday, March 24, 2026 11:55 AM

Ray-Ban reaffirms its commitment to supporting the next generation of creatives by confirming its participation in ITS Contest 2026, one of the most important international platforms dedicated to emerging designers. With a long-standing focus on innovation and experimentation, the brand continues to promote young talent across art, music and fashion. [Read More](#)
